● Program Teaser

● Focus Group Sessions

Three thematic working sessions in which each Focus Group presents its preliminary results and invites participants to validate and enrich them. These are interactive working sessions, where input from the floor is central. This edition's Focus Groups address the **Uganda WASH Entrepreneurship Sector Report**, the **Majipreneurs Community**, and the challenge of **Financing Piped Rural Water Supply Systems**.

● Thematic Side Events

Two curated thematic side events that dive into practical solutions and partnership models shaping Uganda's WASH ecosystem and related business opportunities. The events focus on discussing the **implementation of the Ministry of Water and Environment's Operation & Maintenance Framework** and **matching WASH enterprises' proven climate-resilience solutions with utilities** facing climate-related challenges

● MajiTalent Career Fair

Our dedicated career fair **matching youth and emerging professionals with WASH enterprises** that are hiring, recognising that access to skilled people matters as much to enterprise growth as access to finance.

● MajiMarketplace

Our **WASH sector exhibition** where WASH enterprises showcase their technologies and services, giving participants hands-on exposure to the solutions driving WASH access today.

● Investor Room

A curated session where high-potential water supply, sanitation, and female health and hygiene **enterprises pitch their investment cases**. Connect with fellow investors, explore funding opportunities, and engage with sector leaders. Access to this session is by personal invitation only.

● Matchmaking

A dedicated slot following the Investor Room for participants to follow up on the pitches, **network, exchange contacts, and take conversations further**.

● Plenary Sessions

A series of plenary sessions that bring **all Summit participants together**. In keeping with the Summit's approach, these favour interactive, participatory formats over classic lecture-style presentations.

● Speed Dating

Short, intensive networking sessions where participants meet as many relevant contacts as possible in a limited time.

● MajiCocktail

The MajiCocktail provides a relaxed atmosphere, allowing participants to **connect, network, and unwind** following the Summit. New ideas will flourish over a variety of refreshments, engaging conversations and good music.
